**Biography German:**

Der Recklinghäuser Produzent und DJ Chriss Ortega ist aus der pulsierenden House- und Electroszene Europas nicht mehr wegzudenken. Durch erfolgreiche Remixe für Kelly Clarkson, R.I.O., Cascada, Arias, Laurent Wolf, Stonebridge, Roger Sanchez, Robbie Rivera uvm konnte er sich als angesagter Produzent etablieren.

Der sympathische Workaholic, der drei Instrumente beherrscht, ist immer auf der Suche nach der genialen Hook, dem ultimativen Beat und nach neuen Einflüssen und Ideen. Im Gegensatz zu vielen anderen erfolgreichen Produzenten der Szene kennzeichnet sein Stil die geniale Mischung aller Facetten der House-, Electro-, Trancemusik. Der Name Ortega steht für Erfolg und zahlreiche Globalplayers wie David Guetta, Antoine Clamaran, Stonebridge etc. spielen regelmässig seine Produktionen auf ihren Gigs.

Damit aber nicht genug: Chriss gründete vor kurzem sein eigenes Label Groovebox Recordings, welches jetzt schon Support von allen DJ Größen bekommt.

Seine musikalische Virtuosität spiegelt sich auch in seinen DJ-Sets wieder. Chriss, seit über 10 Jahren DJ, spielt nicht nur eine Platte nach der anderen. Auch sein Gespür für Stimmungen und Harmonien, die er in atmosphärisch dichte und emotionale DJ Sets umsetzt und damit regelmässig die Massen in Feierlaune versetzt, zeichnet ihn aus. Aber nicht nur deshalb, sondern auch wegen seiner erfolgreichen Produktionen wurde Chriss zum Globalplayer und spielt regelmäßig in Ländern wie USA, Canada, Frankreich, Russland, Schweiz, Brasilien, Vereinigte Arabische Emirate usw.

**Biography English:**

The German DJ and Producer Chriss Ortega based in Recklinghausen plays three instruments, is always in search for the ingenious hook, the perfect beat, new influences and new ideas. He could establish himself as an announced producer by successful remixes for Kelly Clarkson, R.I.O., Cascada, Arias, Laurent Wolf, Stonebridge, Roger Sanchez, Robbie Rivera and many more.

His style is marked by an awesome mixture of House, Electro and Trance. That is the reason why many Globalplayers like David Guetta, Antoine Clamaran and Stonebridge are regularly playing his productions. So the name Ortega stands for worldwide success.

But this is not enough: Chriss founded his own record label Groovebox Recordings which gets massive support by all big DJs in the world.

The magic you can hear in his productions is just as evident in his DJ sets. He is working as a DJ since over 10 years and became a Globalplayer who plays regularly in countries such as USA, Canada, France, Russia, Switzerland, Brasil, United Arab Emirates. He always transfers the crowd into a special mood and rocks the dancefloors with his amazing DJ sets. In 2007 Chriss Ortega was the most booked DJ in Russia.
